INSTALLATION CERTIFICATE

the undersigned: VI.BE.MAC's technician

Dealer's technician

Customer's technician

Customer

Address

DECLARES

That on date:

Model

Serial number

the machine has been installed

GUARANTEES

- to have installed the machine following the CE specifications
- to have set all the safety protections present on the machine
- to have used only certified material for the installation

DECLINES

every responsibility of injuries to people caused by safety protection removal or bad maintenance of the machine

NOTE:

I have installed ALL the machines with the last upgrade and software version realized by VI.BE.MAC.

When I left the factory the machines were working correctly in production line.
