## He Ye Visits MAICA And VIBEMAC In Italy

From June 16 to 18, He Ye, Chairman of China Sewing Machinery Association (CSMA) and Yang Xiaojing, Vice Chairman, led eight key enterprises of Chinese Sewing Machinery to Italy to conduct an investigation

He Ye said that after joining Jack's family, the advantages of M.A.I.C.A and VI.BE.MAC are more prominent and complement each other. They have become a useful attempt to explore the way and direction of industry development and a model of successful integration of industry resources. The delegation had a new intuitive understanding of the advanced special equipment and the latest information on the European market during the inspection of the Italian market. The results of the inspection and exchange activities were remarkable.

Ms. He Ye (fourth from right), CSMA and MAICA staff members

of Jack's subsidiaries, M.A.I.C.A and VI.BE.MAC. The delegation visited the assembly workshop, parts intelligent storage warehouse, design and research and develop department, product inspection center and supporting factories.

During the discussion, the leaders of the two enterprises

Ms. He Ye (fourth from left), CSMA and VIBEMAC staff members

met with the delegation frankly and discussed in depth the development concept, brand development, product innovation, market strategy, personnel training and development opportunities.
